## MEMBERSHIP APPLICATION

### Sample Benefits & Privileges of Membership

**RECIPROCAL SERVICES WORLDWIDE:** Corporate Members receive a membership card, giving them access to the services offered by 339 World Trade Centers in 103 countries. Services may include: WTC Hotel discounts, Club dining privileges, Use of Temporary offices, secretarial services, office services, counseling, trade and contact assistance, video conference, and translating services. Costs may be associated for some services.

**WTCA DIRECTORY:** Corporate Members receive a directory of the World Trade Centers and their services.

**REGIONAL & GLOBAL EXPOSURE:** A membership with a World Trade Center, gives your company exposure domestically and globally. Submitting your company information onto WTCA On-Line provides worldwide exposure reaching a readership of over 5 million people worldwide. Exposure may also be obtained through the newsletters of many of the World Trade Centers.

**WTCA ON-LINE:** An internet website that serves as a one-stop international trade hub for global business information. Members can post advertisements and retrieve trade leads from "Trade Opportunities" for FREE! Members gain worldwide exposure through the WTCA Online Catalog area that allows them to submit company information including graphics, much like a website. However, you maintain control of your "Online Catalog" anytime. WTCA Online also contains, company profiles and financials. Members can access market information to obtain information on industries, key trade regulations, transportation, documentation, contacts, and trade leads. Members can retrieve daily exchange rates, the latest international business news, Schedule B codes, and trade flow information.

**BUSINESS OPPORTUNITIES:** Networking opportunities, business referrals, international trade leads.

**EDUCATIONAL BUSINESS SEMINARS, LUNCHEONS, ONE-ON-ONE DELEGATE MEETINGS:** We offer a broad range of seminars, courses, briefings and meetings on topics about international business, culture, and finance. We also organize meetings between buyers, sellers and investors with inbound visiting delegates. The events are great ways to network with local international business representatives.
