

## WORLD TRADE CENTER<sup>®</sup> ORLANDO CONSULTING

We at World Trade Center Orlando have signed an agreement with CoreChair to “promote awareness and interest in the CoreChair Product”. It is designed to be the healthiest chair in the world. I am sitting in a CoreChair as I write this and it is the best office chair by far that I’ve ever sat in for hours at a time. For one thing it forces you to sit up straight. Also important, a CoreChair allows you to move while you sit, stimulating circulation and helping your productivity!

Wouldn’t you like to sit in a chair day after day that is not only healthy for you, but is also friendly to the environment – made of recycled material? Wouldn’t you like for all of the employees in your organization to sit in a CoreChair and reduce your organizations healthcare benefit costs by having healthier employees? Read all the facts below and click on the green “[Shop Now](#)” button. And please make sure you use the [DISCOUNT code](#) – [WTCORL](#) to get the [biggest DISCOUNT possible](#).

**THE BEST ERGONOMIC ACTIVE SITTING  
OFFICE CHAIR!**

Happiness is a comfortable chair that **MOVES**

- Reduce Back Pain ✓
- Improve your Sitting Posture ✓
- Strengthen your Core ✓
- Stimulate your Circulation ✓
- Research Proven Design ✓
- NEAT™ Certified by Mayo Clinic ✓
- Patented Technology ✓

 **CoreChair**

The CoreChair is an active sitting ergonomic office chair that focuses on optimal sitting posture and introduces movement into the workday. The low back that supports the top of the back of the pelvis works in harmony with the aggressively sculpted seat cushion to promote optimal sitting posture and provides uniform pressure distribution which means luxurious comfort.

With four levels of resistance, the tilting mechanism allows movement up to 14 degrees in all directions, mobilizing the joints of the hips, pelvis and spine, engaging the core stabilizing muscles, promoting blood flow and relaxing tight back muscles in order to reduce pain and discomfort.

**FREE SHIPPING | 60 DAY RISK-FREE TRIAL | 12 YEAR WARRANTY**

## THOUSANDS OF HAPPY CORECHAIR USERS

"I give this chair my highest recommendation. And they've got a great refund policy too so you can give it a thorough try before you commit, just like I did."

-Dr. Kara Fitzgerald, ND  
Naturopathic Doctor

#CoreChairLife

 CoreChair

"I spend about 12 hours a day coding these days... The stiffness and soreness I used to get from sitting all day is gone."

-Kevin Vecmanis  
Founder of VanAurum

#CoreChairLife

 CoreChair

"I must say after being diagnosed with a lower back hernia and not being able to sit and go to work, this chair has been a life saver... the CoreChair has given me my work life back!"

-Edith Legault, Quebec, Canada

#CoreChairLife

"It truly has made a difference in my lower back in particular. And it is super comfortable and fun!"

-Nicole Judice Campbell, Ph. D.,  
University of Oklahoma

#CoreChairLife

## SAVE THE PLANET!

With the purchase of every CoreChair, you are removing at least 10 plastic water bottles from landfills and waterways.

At CoreChair, we care about the environment and that is why all components of the chair are made from recycled or recyclable materials including our seat covers made from 100% recycled water bottles. We also participate in the UPS Carbon Neutral program to offset the impact of every shipment.
